Preamble

This document outlines the terms and conditions that apply specifically to the 1st Call for Project Proposals launched by the: Interreg (VI-A) IPA CBC "Greece-North Macedonia" Programme. It is part of the Application Package for the 1st Call for Project Proposals, which is available at the Programme website (www.greece-northmacedonia.eu).

The application package consists of:

- Terms of Reference (hereinafter ToR)' for the Call (the present document);
- Concept Note (template).

More general information on rules and requirements to be observed when applying for present Call are laid down in:

- Programme and Project Implementation Manual (hereinafter PPIM).
- Project Selection Methodology.
- Project Selection Criteria – Stage A: Concept Note.
- Programme Output & Result Indicators Guide (hereinafter PORIG).
- Guidelines for applying in MIS 2021-2027.

- Technical guidance for Beneficiary User Registration and Account Management.
- Technical guidance of MIS 2021 – 2027.

The knowledge of the above documents is essential for developing and submitting a project proposal. Therefore, **all applicants are invited to carefully study and consult all main reference documents before submitting any project proposal**. For reference information, please visit the official websites of the Greece-North Macedonia Managing Authority (www.interreg.gr) and of the Responsible Authorities in the Partner States (see §10 of ToR).

1. OBJECTIVES AND FOCUS OF THE CALL

Project applicants are invited to submit their project application under one of the specific objectives of the Programme listed above.

The Specific Objectives

More detailed information about the Programme, Priorities, Specific Objectives, Region Categories, Indicators as well as the distribution of public expenditure per priority are listed in **Annex I**.

2. BUDGET OF THE CALL

The Programme will allocate approximately **18.045.455,50 EUR** (EU & National Funds) to the present Call for Project Proposals. The EU contribution rate is 80%. Beneficiaries shall ensure the needed own contribution (public and/or private, if applicable).

An indicative budget allocation (EU & National Funds) to the Programme priorities and to the specific objectives is presented in Annex I – Table 2. In the context of the present Call, projects will be included up to the amount of the budget of the Call. When selecting projects to be funded, such allocation may be adapted by the Monitoring Committee (MC) according to Programme needs. Projects may be selected up to **100%** of the budget of the present Call for Project Proposals.

3. CONTEXT OF THE CALL

The present Call concerns **Stage A – Submission by the beneficiaries of a summary of their proposal with specific implementation data (Concept Note)**. The potential Lead Beneficiaries submit a short paper (Concept Note) in which they briefly present:

1. the main idea of the proposal.
2. the partnership.
3. the proposed activities and the appropriate indicators.
4. an indicative budget of activities.
5. information regarding the eligibility of the beneficiaries participating in the partnership.
6. Cross Border Cooperation Added Value; and
7. Relevance with specific objectives of the Call (for more details on the procedure see §9 of ToR).

The 1st Call for Project Proposals intends to select high quality cross-border projects, in which relevant institutions cooperate to make border regions more resilient to common challenges, find shared solutions in fields such as environment, circular economy, sustainable energy, tourism, health and more, and to exploit the untapped growth potential in border areas, while enhancing the cooperation process for the purposes of the overall harmonious development of the Union.

Within the 1st Call for Project Proposals, proposals can be submitted under the two Programme priorities (P1 and P3) and four (4) specific objectives (as listed in §1 of ToR). The description of Programme priorities and objectives, together with indicative actions, is provided for in chapter 2 of the Interreg Programme (IP) available at the Programme website, which defines the Programme strategy and intervention logic for Interreg (VI-A) IPA CBC “Greece-North Macedonia 2021-2027” Programme, as adopted by the European Commission.

Project applicants are invited to submit their Concept Note under one of the specific objectives of the Programme listed in §1 of ToR. The project objectives and the proposed activities shall

be clear and in-line with the Programme priorities, contribute to the achievement of Programme indicators and both shall have an impact on the Greece-North Macedonia area.

4. PROJECT DURATION

Projects should be concluded within a maximum period of twenty-four (24) months after the signing of the Subsidy Contract (SC) between the Managing Authority/ Special Secretary for ERDF & CF Programmes and the Lead Beneficiary. Projects that have started their implementation before the signing of the contract, and in any case after 01/01/2021, should not have been concluded before the application for funding at the present Call for Project Proposals.

This limit applies for the operative phase of the project and does not include the preparation phase.

5. ELIGIBILITY OF APPLICANTS

Eligible applicants for the present Call for Project Proposals are the entities that fall into the above-mentioned categories of potential Beneficiaries:

- national, regional or local public bodies.
- bodies governed by public law (as defined in Article 2(4) of Directive 2014/24/EU) meaning bodies that have all of the following characteristics:
 - a) they are established for the specific purpose of meeting needs in the general interest, not having an industrial or commercial character.
 - b) they have legal personality; and
 - c) they are financed, for the most part, by the State, regional or local authorities, or by other bodies governed by public law; or are subject to management supervision by those authorities or bodies; or have an administrative, managerial or supervisory board, more than half of whose members are appointed by the State, regional or local authorities, or by other bodies governed by public law.
- bodies governed by private law, non-profit organizations founded according to private law can be eligible under the following conditions as a whole:
 - a) they are not established with the goal to obtain profit.
 - b) they do not distribute profits to the shareholders.
 - c) they should have at least completed one accounting year of operation before the launch of the specific call for proposals. This rule is also applicable for the local-regional subsidiary/branch offices.

It should be noted that private companies, not falling under the conditions listed at point (c) are not eligible.

- international organizations registered under the national law of the Partner States of the Programme can be considered as eligible if they fulfil the criteria foreseen for the nonprofit

bodies governed by private law. However, international organizations operating under international law are not eligible.

- European Groupings of Territorial Cooperation (EGTC). Eligible EGTC must be governed by the law of one of the participating countries where the EGTC has its registered office. EGTCs located outside the Programme area and not registered in one of the Partner States participating in the cross-border Programme are not eligible for funding. An EGTC cannot be a sole beneficiary of a project proposal.

Bodies governed by public law (under category b. above) and private organisations (under category c. above) and EGTC (under category e. above) should have at least completed one accounting year of operation before the launching of the Call for proposals. If a body governed by public law or a private organization is participating through a branch located at the Programme area, the branch must be operational for at least 12 months before the launching of the Call for Proposals.

In principle, to become a project beneficiary, the legal address of the beneficiary's organisation has to be located in the eligible area of the Programme with the exception of:

- organisations located outside the Programme area but having local/regional subsidiary/branch office established in the Programme area;
- bodies of the central government located outside the Programme area (e.g. Ministries or other governmental authorities with specific competencies on national level);
- organizations located outside the Programme area but inside the Partner States participating in the cross-border Programme if their participation in the project brings added value and expertise to its implementation and benefits the Programme cooperation area.

Organisations located outside the Programme area not registered in one of the Partner States participating in the cross-border Programme are not eligible for funding.

6. ELIGIBILITY OF PARTNERSHIPS

As a minimum requirement, the project partnership must involve two (2) beneficiaries one from each Partner State. The partnership scheme must not exceed five (5) beneficiaries.

In line with Article 2(9) of the CPR, beneficiaries are responsible for initiating and/or implementing projects. They can be public or private legal entities of both participating countries; and shall cooperate in the development and implementation of operations, as well as in the staffing or financing of operations, or both in accordance with Article 23(4) of the ETC Regulation.

An activity may be implemented in a single country, provided that the impact on and the benefits for the Programme area are identified in the application of the activity in accordance with Article 23(2) of the ETC Regulation.

The project partnership shall consist of two types of beneficiaries:

the Lead Beneficiary (LB) and the Project Beneficiary (PB). The Lead Beneficiary who undertakes the submission of the proposal on behalf of multiple beneficiaries, is the Coordinator of the project defined by all the beneficiaries / co-beneficiaries.

Each beneficiary may submit up to five (5) Project Proposals in the Present Call. The above limit applies to all types of Beneficiaries (LB, PB) and it is applied at Call-level – not at Specific Objective level. In case a Potential Beneficiary applies to more than five (5) Project Proposals, then the first five (5) proposals submitted via MIS will be assessed.

7. ELIGIBILITY OF EXPENDITURE

7.1 The end date of the eligibility period for the costs of the proposed operations is defined as 31.12.2029. The end date of the proposed projects (completion in both physical and financial terms of the project) should be by the above date.

7.2 Projects that have been physically completed or fully executed before the application for funding at the present Call for Project Proposals are not eligible, regardless of whether the related payments have been made.

7.3 Project budget requirements (incl. EU & National Funds)

The minimum budget of the submitted project proposals is defined as the amount of 700.000,00 €.

The maximum budget of the submitted project proposals is defined as the amount of 1.500.000,00€.

7.4 Beneficiaries' budget requirements (incl. EU & National Funds)

The minimum budget of the submitted project proposal per project beneficiary is defined as the amount of 120.000 €.

7.5 Not applicable in present call

7.6 The EU co-financing to beneficiaries may be reduced in case of State Aid relevance of project activities, in compliance with relevant rules on State Aid (see PPIM). In such a case State Aid is granted under the *de minimis* regime & *GBER* within the project (applicable only for Greek beneficiaries).

7.7 The MA may modify the total amount of the public expenditure of the present Call or may proceed with a justified termination of the validity of the Call, informing in any case the beneficiaries through the Programme website.

7.8 The eligibility rules for the costs of the co-financed operations are specified in Programme and Project Implementation Manual.

7.9 Categories of Expenditure that will be financed and reimbursed based on real costs.

Expenditure category	Description
2	Staff Cost (Real cost)
4	Office and Administration (Real cost)
6	Equipment (Real cost)
8	Travel and Accommodation (Real cost)
10	External Expertise and Services (Real cost)
12	Infrastructure and Works (Real cost)

7.10 Expenditures based on simplified cost options.

Expenditure category	Description	Measurement Unit	Flat rate	Description
2	Staff Cost	%	20	up to 20 % of the direct costs other than the direct staff costs of the operation
4	Office and Administration	%	15	up to 15 % of eligible direct staff costs
8	Travel and Accommodation	%	15	up to 15% of the direct staff costs of the operation

The simplified cost options applied to the projects will not be able to be modified either during its implementation or upon its completion.

For all expenses that will be reimbursed using the simplified cost option, Beneficiaries will not provide paid receipts of expenses or documents of equivalent accounting value maintained in the Beneficiary's accounting system.

7.11 Costs within the budget lines "staff costs, travel and accommodation costs and external expertise and services", which have been incurred for the preparation of the project, are eligible for funding if they do not exceed the amount of €30.000 at project level.

7.12 The management costs of each project beneficiary should not exceed 10% of the its total budget. For the Lead Beneficiary this percentage shall be limited to 15% of its budget.

7.13 Communication' costs cannot exceed 15% of the total project budget, without limits at beneficiary level.

Detailed eligibility rules on activities and related expenditure are described in the *Programme and Project Implementation Manual*.

8. INSTRUCTIONS FOR THE SUBMISSION OF PROJECT PROPOSALS/CONCEPT NOTES

The Concept Note is submitted via MIS with reference on present Call for Project Proposals **from 10-01-2024** (start date for submission of proposals), time **09:00** Greek local time (CET+1) **until, exclusively, 26-02-2024** (deadline for submission of proposals), time **14:00** Greek local time (CET+1) at the latest.

The Concept Note should be signed by the Lead Beneficiary and attached in pdf format via MIS. No proposal submitted afterwards will be accepted.

After the successful submission of the Concept Note, the Lead beneficiary is informed by MIS. Concept Notes will not be accepted outside of the above deadlines.

The deadline for the project submission for Stage B will be determined after evaluation of all concept notes.

9. SELECTION PROCESS

The selection process has as follows:

STAGE A – Concept note submission.

The potential beneficiaries submit the proposal exclusively electronically via MIS. The Concept Note should be signed by the Lead Beneficiary and attached in pdf format. Proof of timely submission is only the timestamp of the MIS. No proposal submitted afterwards will be accepted.

After the successful submission of the proposal, the Lead Beneficiary is informed via MIS system.

STAGE B: Project proposal submission

Only the specified by the Managing Authority beneficiaries submits their project proposals in Stage B. The project proposal must be submitted no later than 40 calendar days after the date of the notification. Proposals submitted after the above deadline will not be accepted.

After the submission of the proposal by the potential Beneficiary, the selection process and approval of projects is as follows.

9.1 Evaluation of the proposals by the Managing Authority of the Cooperation Programme in two stages:

Stage A' – Pre-Assessment of Concept Note

The evaluation is based on methodology and criteria approved by the Monitoring Committee, which are attached to this call and begins after the deadline for submitting the Concept Notes of this call (see §8 of present ToR). Detailed description is provided in Evaluation Guide. Upon the completion of the pre-assessment, projects as approved by MC are eligible to apply for Stage B'.

Stage B' – Evaluation of The Proposals

The evaluation is based on methodology and criteria approved by the Monitoring Committee, which will be attached to the Stage B' call and begins after the deadline for submitting Project Proposals to Stage B (see §8 of present ToR).

This stage consists of three phases as follows:

Phase B1: Administrative & Project Eligibility Assessment

Phase B2: Quality Assessment

Phase B3: Beneficiaries Eligibility Assessment & State Aid Compliance for Project Proposals which have been positively evaluated in phases B1 and B2

During the evaluation, the MA may request the beneficiary, at Stage B' of the evaluation (B1 & B2 Phase) to submit additional information and clarifications, within a specific deadline.

Additional data are those which, while foreseen in the Call, were not submitted due to an omission (or a set of permitted errors) by the potential beneficiary and have been issued before the submission of the proposal. Clarifications are items requested by the assessor(s), in order to clarify the submitted information and better understand the content of the proposal. In the case of an external assessor from the Register of Assessors, clarifications can be requested exclusively through the Managing Authority provided its consent.

Upon completion of the comparative assessment of Phase B1 & B2, the proposals are ranked in descending order based on their score, following the approval of MC. Upon the completion of comparative assessment, projects as approved by MC proceed in Phase B3 assessment.

9.2 Publication of a provisional list of evaluated proposals for Stage A, Phase B1&B2 and Phase B3.

9.3 Submission and examination of complaints

The potential Beneficiaries may submit a complaint to the MA regarding the results of the evaluation (see in Project Selection Methodology). Complaints are submitted once per evaluation stage, within a subversive deadline of seven (7) working days from the day following the notification of the evaluation results, namely:

- of the Proposal Decision issued during Stage A' of the evaluation
- of the Provisional Ranking Table of evaluated proposals issued during Stage B': Phase B1' & B2' of the evaluation.
- of the Provisional Ranking Table of evaluated proposals issued during Stage B': Phase B3' of the evaluation.

Upon completion of the examination of the complaints concerning:

- Stage A',
- Stage B': Phase B1' & B2',
- Stage B': Phase B3'

of the evaluation, the proposals for which the objection is accepted are added to the ranking table, in the order in which they are ranked by their score, in order to produce the Final Ranking Table of evaluated proposals (see Project Selection Methodology)

10. COMMUNICATION - SUPPORT TO APPLICANTS

For information with regard to the Programme, the Management and Control System, the institutional framework for the implementation of the actions within the Programme, the eligible expenditure costs for the actions, as well as any information related to the submission of proposals (such as instructions for the completion of the Application Form, monitoring indicators, specification of the project proposal evaluation criteria and other documents, which are necessary for the examination of the proposal) please visit the Programme website www.greece-northmacedonia.eu. You may also find relevant information on the Managing Authority's website (www.interreg.gr).

The Programme provides the following support measures and tools to assist applicants (potential beneficiaries) in submitting quality project proposals. In particular: *Information Events / Info-Days* – Applicants can attend informative events in both participating countries with regard to the present Call for Project Proposals related to the Call ToRs, Programme features, objective/s and actions, partnership requirements, communication, project finances, etc. in the context of their project proposal (idea). Specific information (date, time, etc.) about the events is posted on the Programme website.

- *Assistance to Applicants* (applicant exchange of project proposal ideas and matchmaking)
 - In a dedicated section on the Programme website, applicants are facilitated with sharing project ideas, checking relevance, project beneficiary searching and finding existing ideas for cooperation.
- *Frequently Asked Questions (FAQ)* - In a dedicated section on the Programme website, applicants are provided with answers to the most frequently asked questions (FAQ) regarding the Programme funding and application process. Questions may be posed in written (at interreg@mou.gr) via an e-mail to the Managing Authority, no later than twenty (20) calendar days before the deadline for the submission of proposals. Answers shall be published no later than ten (10) calendar days before the deadline for the submission of Project Proposals. As the FAQ is regularly expanded and updated, please revisit the Programme website regularly for retrieving the most up-to-date information.
- *Helpdesks for technical support* - For questions related to the application system, contact MIS helpdesk (ikalaitzoglou@mou.gr) by email or consult the MIS user manual.
- *National support by Antenna Office* - Applicants can also reach out to Antenna Office in North Macedonia. It offers national support regarding the calls and provide information in national languages on primarily national application issues.

Applicants are invited to regularly consult the official Programme website for updates and further details regarding all support measures.

11. PERSONAL DATA PROTECTION

11.1 The Managing Authority that holds the position of "controller" declares that:

- is aware of the provisions of Regulation (EU) 2016/679 of the European Parliament and of the Council on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, the Hellenic Legislation - Law 4624/2019 and the relevant instructions and decisions of the Hellenic Data Protection Authority, which govern the legal execution of the Call, and
- fully undertakes the obligations deriving from the legislation, regarding the protection and security of personal data, which may be processed and/or come to its knowledge in any way.

11.2 The processing by the beneficiaries (acting as processors) is governed by a legal act that falls under the European Union law and the Hellenic law, which binds the processor in relation to the controller and determines the object and duration of the processing, the nature and purpose of the processing, the type of personal data and the categories of data subjects, as well as the obligations and rights of the controller and the processors. This legal act takes the form of the Subsidy Contract between the Managing Authority and the Lead Beneficiary of a project - following the Decision of the Monitoring Committee, where all the provisions related to the protection of personal data are provided.
